**RE: USA HOCKEY REGISTRATION
FIRST ICE FEE PAYMENT DUE**

USA Hockey Registration

Please go to www.usahockey.com and register on line for the 2011-12 season. Please print a copy of the confirmation page for your records. Usa hockey no longer mails membership cards, so the confirmation page will be your proof of registration. You will also receive a confirming email of your registration. The club has also added the link on the wildcats web site for the usa hockey on line registration - www.wildcatsicehockey.com

The club will need a copy of either your confirmation page or the confirming email, in order that we can create the usa hockey rosters. The player cannot be added to the roster until the on line registration is completed and sent to me, so timely registration will be appreciated.

The cost of the registration is the same as last season:

**\$30.00 – USA Hockey
\$10.00 -- AAHA**

New this season – team managers, team representatives, and volunteers can register on line, so you can be included in the wildcats’ data base. There isn’t any fee for this registration.

Please email a copy of your confirmation page or forward your confirmation email to me
